

Tidal Waves Benefit Dance for Edmarc

On Friday, August 26, the Tidal Waves will hold a benefit dance for Edmarc, a hospice group which offers support to seriously ill children and their families.

EDMARC
Hospice For Children

For this dance all funds collected will be donated to Edmarc. In addition to cash donations, you may bring in items you wish to donate and these will be sold by silent auction during the dance. All these funds will also go to Edmarc. The dance will be at Kiln Creek Elementary, 1501 Kiln Creek Parkway, Newport News. Judy Jaworski will begin with early rounds at 7:30 PM and Elbert will begin calling at 8 PM.

Please join us in supporting Edmarc – and enjoy an evening of dancing as well. See you there.
